

Town of Rodman  
Town Board Meeting  
October 11, 2017 7:00 PM

County of Jefferson  
State of New York

Present were Supervisor Gary Stinson, Councilpersons Arthur Baderman, Vance Carpenter, Lisa Worden, Stuart Tamblin and Highway Superintendent Dale Tamblin.

Absent was Zoning Code Officer Jacob Bull

Privilege of the floor was offered-

Councilwoman Lisa Worden made a motion to approve the September minutes; Councilman Vance Carpenter seconded the motion. All were in favor.

DANC Report – Rich LeClerc, General Manager, Solid Waste Division of the Development Authority of the North Country (DANC), presented the town board with a check in the amount of \$284,357.72. The check is the final quarterly host community share for 2016.

Rich LeClerc stated that DANC received 29,653 tons of waste in the month of September, approximately 11,337 tons above projections.

The old leachate loadout tanks have been fully demolished.

DANC's new agriculture tractor with snow blower is in full service.

DANC has developed tri-fold fliers for St. Lawrence and Lewis Counties to hand out at the transfer stations to all town residents. The flier is filled with information that residents can use to identify how to recycle using single stream.

There was 533,069 gallons of leachate hauled to the Watertown Treatment Plant in the month of September.

The local material management plan is in the final stages. DANC is anticipating the board to accept and adopt the final seeker document at the board meeting on September 27, 2016. After approval the resolution will be sent to DEC for their final approval.

Mr. LeClerc stated that an operators training program has been established to help their operators better identify and deal with the amount of recycling material that is coming into the Authority.

DANC is currently working with DEC on a draft agreement to get possession of a bailer. The bailer is used to compact agriculture plastic that farmers have no use for.

DANC stated the replacement well drilling project was initially going to start on the 17th, of October. Due to delays the project will now start the week of the 24<sup>th</sup> of October. There may be an odor in the air as DANC starts the drilling process. This process may take up to a month to finish.

Supervisor Gary Stinson wanted to thank DANC for the help with the water leak in the Town of Rodman.
